

Travel to Work Survey

Thank you for taking part in the Travel to Work Survey. The survey should take less than 10 minutes to complete.

The collected information will be used by Luminate Education Group to improve in more depth its understanding of staff travel behaviour, create effective travel plans and to assist on estates investment decisions.

Part of the information such as the work postcode and start of commuting postcode that you provide when completing the survey, including our organisation, will be used by the Council (as data controller), and shared with West Yorkshire Combined Authority, to improve its understanding of travel behaviour, the effectiveness of travel plans and to inform transport investment decisions. These details will be held in accordance with the UK GDPR, and, excepting if required by law, will not be shared with any third parties apart from the Council's partner organisations - the West Yorkshire Combined Authority, and Smart Survey. Full details of how Leeds City Council will process this information are contained within their Privacy Statement which can be found at www.leeds.gov.uk/privacy-statement/privacy-notice. The survey is voluntary and by completing it you confirm that you agree with the terms and conditions of the Privacy Statement.
